

## Let me introduce you to an exclusive offer your business won't find anywhere else.

In our community, I'm constantly amazed how my circles of friends and colleagues overlap: people I thought were strangers have known each other for years. Maybe you've had that "small world" experience, too?

But in my role as President of the Napanee & District Chamber of Commerce, it's my job to promote links within our community. So, I try not to assume people have met, even when I think they have something in common.

That's why I'd like to formally introduce Brian Patterson and Brad Way, of Marlin Financial Services. Our Chamber is partnered with the Chambers of Commerce Group Insurance Plan®, which Marlin Financial represents exclusively in our area. It's a partnership that dates back many years: the Chambers Plan has been "at work for small business" since 1970.

Why do we endorse an employee benefit plan and promote it across our community? It's simply because this plan specializes in benefits for smaller businesses, including one person firms. These businesses are a significant part of our membership and, even today, few insurers make employee benefits available to companies of this size.

More than 25,000 firms across Canada are covered under the Chambers Plan today, each with a customized benefit plan based on the types and amounts of coverage the owner selected. The Chambers Plan lets you control the cost, because you control the coverage included in your plan.

If you haven't spoken to Brian or Brad recently about the Chambers Plan's affordable prices and custom coverage, I urge you to call today or to request a quote, visit [www.buychambers.ca](http://www.buychambers.ca). You'll not only enjoy an exclusive benefit of membership, you'll be doing your firm and its employees a great service.

Best regards,  
Dan Atkinson, President.

In Napanee and area, the Chambers Plan is exclusively represented by

Marlin Financial Services Inc., 2-28 Dundas Street E., Napanee.
